## Section 1 - Introduction

This directory provides a list of MyTruAdvantage's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP. All providers who can be selected as a PCP are in the Primary Care Physician section of the directory.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. Other providers are available in our network. Referrals are not required; however, some services may require prior authorization. You will find information on covered services that require prior authorization in your Evidence of Coverage (EOC).

**What you should do if you have bills from out-of-network providers that you think should be paid by MyTruAdvantage.**

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill the claim to MyTruAdvantage first. If you have already paid for the covered services, you can complete a member submit claim form along with the provider's bill to MyTruAdvantage for processing and determination of enrollee liability, if any. Please refer to your Evidence of Coverage (EOC) for complete details.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you should try to use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

If you are enrolled in MyTruAdvantage Choice Plus (PPO), MyTruAdvantage Choice Complete (PPO), or MyTruAdvantage Red, White and Tru (PPO): Out-of-network providers are under no obligation to treat MyTruAdvantage enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Services Team at 812.348.4576 or toll free at 844.425.4280, October 1st to March 31st–8 a.m. to 8 p.m. local time, 7 days a week. April 1st to September 30th–8 a.m. to 8 p.m. local time Monday through Friday. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you are enrolled in MyTruAdvantage Select **(**HMO): You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor MyTruAdvantage Plan will be responsible for the costs.

**What is the service area for MyTruAdvantage?**

Bartholomew, Brown, Clay, Decatur, Dubois, Gibson, Greene, Hamilton, Hancock, Hendricks, Henry, Howard, Jackson, Jennings, Johnson, Madison, Marion, Parke, Perry, Pike, Posey, Shelby, Spencer, Sullivan, Vanderburgh, Vermillion, Vigo, and Warrick Counties.

**How do you find MyTruAdvantage providers that serve your area?**
