

Clear Vision Benefits

Experience the ease with MyTruCard at an approved optometrist office or facility.

Vision services include a Medicare-covered exam performed by a specialist to diagnose and treat diseases and conditions of the eye and additional Medicare-covered services. Routine vision services include tests for corrective eyewear.

Benefits include a \$250 allowance annually for eye exams, eyeglasses (frames/lenses), eyeglass lenses, eyeglass frames, or contacts.

Applies to routine exams and eyewear:

- \$0 copay for all eye services/eyewear to \$250 yearly max.
- Will be administered through flex card—MyTruCard.
- MyTruCard Flex Card Vision Benefits; can be used wherever the card is accepted.

\$0 copayment for Medicare-covered eye exam

\$0 copayment for glaucoma screening

\$0 copayment for diabetic retinopathy screening

MyTruCard is NOT a cash card. There are limitations on where and how you may use your card. The card must be used at an approved optometrist office or for optical goods. Please contact our Members Services department at 844.425.4280 (TTY:711) or the number on the back of the card for details.
